The Adult services of the Community Clinic are offered in the Evergreen House on the UNC campus:

From Durham:
- Take US 15-501 toward Chapel Hill at Franklin St. split—veer to the right
- On Franklin St. travel 2.5 miles and a long winding uphill climb—at the fifth light turn left at Raleigh Street (on the right side Raleigh Street turns into Hillsborough Street)
- At the first stoplight, turn right onto Cameron Avenue (on the left side Cameron Ave turns into Country Club)
- Coker Arboretum will be on your right and continue to Swain Parking lot on your right
- If before 5 pm or lot is full, use the Town of Chapel Hill Wallace or Rosemary parking decks located on Rosemary street - continue to light, take right and go one block past Franklin St, and then a right onto Rosemary St.

From Raleigh:
- Take I-40 West toward Chapel Hill
- Take exit 273 A, which goes west on NC 54
- NC 54 turns into Raleigh Road
- Turn right onto Country Club Road
- Go through two stoplights and you will now be on Cameron Avenue
- See the last two bullets above - also see our website for campus maps and parking.

The Clinic website includes additional information including driving directions and parking:

Adult Community Clinic

Sometimes adults experience difficulties at home, at work, or in various social, learning, or other situations. These concerns can include:

- Depression
- Anxiety
- Grief and loss
- Anger
- Family stress
- Vocational or academic functioning
- Interpersonal relationships
- Panic attacks
- Self-esteem
- Eating, sleeping and other disorders
- Sexual orientation

The UNC Community Clinic Offers

- **Psychotherapy** to focus on client concerns, using an evidenced based approach guided by one or a combination of established therapy methods.
- **Sensitive environment** to understand and resolve difficulties - recognizing the full range of individual differences.
- **Assessment** to determine basis for behavioral or learning difficulties using nationally validated testing instruments.

**Affordable Pricing**

We offer psychotherapy to adults and couples at reduced rates - *this may be further adjusted based on household income.*

- This is possible because the UNC Psychology Department Community Clinic is a training clinic for advanced doctoral (Ph.D.) students in clinical psychology at UNC.
- Graduate student therapists use evidence-based assessment and treatment and are supervised by nationally renowned and NC-licensed psychologists serving on the faculty in the UNC Department of Psychology.
- All clients undergo a thorough phone screening to determine appropriateness for our clinic and for the best possible care.
- The Clinic accepts individuals from the community at large - as well as UNC students, faculty and staff.

**Working with Insurance**

Although our clinic does not deal directly with insurance companies, we are able to provide documentation of service provided so that *if covered, your insurance company may reimburse you for any out-of-pocket payments you have incurred.*

**Licensed Psychologists/Supervisors**

- **Erica H. Wise, Ph.D.**
  Clinical Professor &
  Director of Psychological Services

- **Jonathan Abramowitz, Ph.D.**
  Professor

- **Donald Baucom, Ph.D.**
